

## INTU / HAPPIEST CHRISTMAS SONG / LYRICS

### Love's Not Just For Christmas

#### Verse 1

I filled your stocking to the very top  
Put your coffee in a Christmas cup  
And the children sing  
As the church bells ring everywhere

Everyone's about the peace on earth  
A little Christmassing for what it's worth,  
And the whole world smiles - There's only love in the air  
*Snow fall faster Go get santa now...*

#### Chorus

**Christmas**  
**Wrap it and send it Christmas**  
**However you spend it**  
**Make December last forever - whoa**

**Christmas**  
**Love one another Christmas**  
**A spell that we're under**  
**Make December last forever - whoa**

**'Cause love's not just for Christmas**

I put a lot of tinsel on the tree  
Bought a turkey and some brandy cream  
And my mistletoe is hanging in the hope of a kiss  
*Snow fall faster Go get santa now...*

**Christmas**  
**Wrap it and send it Christmas**  
**However you spend it**  
**Make December last forever - whoa**

**Christmas**

**Love one another Christmas**

**A spell that we're under**

**Make December last forever - whoa 'Cause love's not just for  
Christmas**

All that you wish for

(Christmas)

Is right outside your door

Family, friends; everyone you depend on is here...

**Christmas**

**Wrap it and send it Christmas**

**However you spend it**

**Make December last forever - whoa**

**Christmas**

**Love one another Christmas**

**A spell that we're under**

**Make December last forever - whoa 'Cause love's not just for  
Christmas**

Love's not just for Christmas,

Christmas

Love's not just for Christmas
