

Coming Home Baby

Doo doo doo
Doo do do do do do do do etc

Come on home
You know Im waiting here for you
You've been gone
You don't know what Im going through
Since you've been away now real soon

Come on home
You know I'm praying every night
Please come home
I want to feel you hold me tight
When you're in my arms I'll be fine

Do doo doo doo etc
do do doo do do do etc
Doo do do do doo I'll be true

Come on home
You know I'm praying every night
Please come home
I want to feel you hold me tight
When you're in my arms I'll be fine

Come on home
You know I'm counting every day
Use the phone - Oh Baby let me hear you say
That you're coming home, go away
